

## Network+

CompTIA Network+ is a vendor neutral networking certification that is trusted around the world. It validates the essential knowledge and skills needed to confidently design, configure, manage and troubleshoot any wired and wireless networks. CompTIA Network+ certified individuals are in-demand worldwide.

### Overview

The stakes are high. Data networks are more crucial for businesses than ever before. They are the lifeline to the critical financial, healthcare and information services that need to function at the highest, most secure level. With a CompTIA Network+ certification, you will possess the key skills to troubleshoot, configure and manage these systems and keep your company productive.

### Network+ is vendor-neutral and globally recognized

CompTIA Network+ professionals are trained to work with a variety of hardware, software and networks. Take your talents wherever your IT ambitions lead you.

### Network+ makes you shine in a growing industry

According to the U.S. Bureau of Labor Statistics, 12% job growth is expected in network and computer systems over the next seven years. Additionally, CompTIA Network+ professionals are known to excel in their job: 53% of IT and business executives agree that certified staff performs at a higher level than non-certified staff; this according to the CompTIA International Technology Adoption and Workforce Trends report. Global Knowledge's IT Skills and Salary Report estimates the average salary of a Network+ certified IT professional at about \$74,000.

### Network+ meets the highest standards

CompTIA Network+ meets the ISO 17024 standard and is approved by U.S. Department of Defense to fulfill Directive 8570.01-M requirements. It is compliant with government regulations under the Federal Information Security Management Act (FISMA).

<b>Exam Codes</b>	<b>N10-006</b>
<b>Exam Description</b>	CompTIA Network+ covers the configuration, management, and troubleshooting of common wired and wireless network devices. Also included are emerging technologies such as unified communications, mobile, cloud, and virtualization technologies.
<b>Number of Questions</b>	Maximum of 90 questions
<b>Type of Questions</b>	Multiple Choice Questions (single and multiple response), drag and drops and performance-based
<b>Length of Test</b>	90 Minutes
<b>Passing Score</b>	720 (on a scale of 100-900)
<b>Recommended Experience</b>	CompTIA A+ Certification (9) months of networking experience
<b>Price</b>	\$294.00 USD (See all pricing)
